

## **A Prayer to Guru Rinpoche to Dispel Fire and Other Elemental Disturbances**

SA CHHU ME LUNG JUNG WAI BAR CHHED KYIY GYU LU NYEN CHING JIG PAI DU JUNG TSE

When our illusory bodies are threatened with destruction because of obstacles and disturbances of the earth, water, fire, and wind elements,

YID NYIY T'HE TSOM MED PAR SOL WA DEB OR GYAN JUNG WA ZHI YI LHA MOR CHAY

I supplicate you without any doubt or uncertainty. When Orgyen comes, together with the goddesses of the four elements,

JUNG WA RANG SAR ZHI WAR T'HE TSOM MED OR GYAN PAD MA JUNG NAY LA SOL WA DEB

without a doubt the elements will be pacified in and of themselves. Orgyen Padma Jungnay, to you I pray.

SAM PA LHUN GYIY DRUB PAR JIN GYIY LOB

Grant your blessings that our wishes be spontaneously accomplished.
